

## Announcing New LASIK Savings!

You now have access to significant savings on LASIK eye surgery through QualSight!

QualSight LASIK Advantages:

- **Savings** – You can now save **40% to 50%** off the national average price for Traditional LASIK!
- **Access**– Choose from over 800 locations nationwide for a free LASIK consultation
- **Experience You Can Trust**- Over 2.5 million procedures performed
- **Quality** – URAC credentialed Ophthalmologists using FDA approved technology
- **Financing** – Flexible options include 6 months interest free or extended plans with payments as low as \$52

**Hours (CST)** Monday through Friday: 7 am to 7 pm Saturday: 8 am to 4 pm

The QualSight program is not an insured benefit. The preferred pricing program is available to members providing access to a nationwide network of QualSight ophthalmologists.
